*For couples who want a marriage more beautiful than their wedding day*

## MEET BAILEY

Hey friends! I'm Bailey, lover of Lake Superior & passport stamps. I am so grateful our paths have crossed! As a full-time girl boss & big dreamer, I'm most content with a pint of craft beer in hand and a giant pup at my feet. Together with my bearded British husband, we're pursuing a life of balance, adventure, and snuggles with our Bernese Mountain Dog, Summit.

Based in my hometown of Duluth, MN, I serve clients throughout the Midwest and beyond. Although weddings are my bread & butter, I've found that I love serving couples throughout their marriage journeys. That's why I've created The Beloved Collections: Lifestyle sessions for couples who want to deepen their connection and celebrate their marriage!

Enclosed you'll find complete details on The Beloved Collections. Sessions are offered May-October, beginning two hours before sunset, taking advantage of those luminous summer nights. All sessions include shooting time with me (the girl on the right!) and a selection of gorgeous hand-edited images with Print Release. As you'll find, these sessions are designed as date nights, with beautiful images only part of the complete experience. Please let me know if you have any questions!

WITH LOVE & GRATITUDE,

*Bailey*

# FAQ

## **Q. Where will our session take place?**

A. I have a few secret spots up my sleeve, but if there's somewhere especially meaningful to you as a couple, I'd love to hear it! Most sessions take place near Lake Superior, taking advantage of luminous golden hour light in the hour before dusk. Gorgeous!

## **Q. What should we wear?**

A. When you book, I'll send some inspiration to get you started! Stick to cute & comfy, as we'll be venturing off-the-beaten-path a bit. We should have time for 1-2 outfits (your choice), and I'm always happy to offer styling tips.

## **Q. Can we share our photos with loved ones online?**

A. Absolutely! You are more than welcome to share your images online. My one request? Please include a photo credit or tag Bailey Aro Photography when sharing, and refrain from adding edits or filters to your photos. This may seem like a small detail, but it means the world to me. Thank you in advance for being awesome about this!

## **Q. Dinner for two? Tell us more!**

A. All sessions include Dinner for Two in the form of a \$50 gift card to your choice of several Duluth restaurants. Think fresh, local, and seasonal! Selections vary by season, ask me for current details! I encourage you to make this a true date night: Line up a babysitter, enjoy your session, then head out for dinner & drinks!

## HOW TO BOOK

Ready to move forward? Let's do this!

First, email **info@baileyaro.com** for available session times. Sessions often book several weeks to months in advance, so if you have a specific timeframe in mind, get in touch soon!

To make it official, I just require a signed contract and \$200 non-refundable retainer to secure your spot, with the remaining balance due by your session date. Booking & payment can conveniently be done online.

The Beloved Collections are an investment, and flexible payment plans are always available. After reading through everything, please let me know if you have other questions. I can't wait to hear from you!
